### School trips and visits

Children enjoyed their trips from Zoolab and to the science workshops in Lancaster. These trips supported our work on problem solving in key stage 2 and applying scientific understanding and in key stage 1 children met interesting creatures, learnt about how they move and their diets.

Lancaster Maritime Museum

It was astounding to hear reception pupils using the language of herbivore, carnivore and omnivore to describe the diets of different creatures!

### Jewellery

Please ensure that pupils do not wear jewellery to school. It does pose a safety hazard to the child themselves and to others, particularly when playing outside and participating in PE activities. Thank you for your support. Long hair (shoulder length and longer) must be tied back - this helps to prevent accidents where hair may be caught. Thank you for your support.

After school care is available at Scorton School until 5.45pm every day (Friday 4.30) Activities, games, indoor and outdoor play, crafts and a healthy snack are provided. There is a charge for this service. Please contact Calder Vale office to book.
