

WELCOME BACK!

IF YOU WOULD LIKE ANY FURTHER INFORMATION ABOUT THE TOPIC OR YOUR CHILD'S PROGRESS THEN PLEASE DO NOT HESITATE TO ASK MR PRINCE

WAYS TO HELP AT HOME...

- ◊ READ ALOUD TO THEM REGULARLY AND LISTEN TO THEM READ TO YOU REGULARLY, ASKING THEM QUESTIONS ABOUT WHAT THEY HAVE READ.
- ◊ WHEN YOU'VE A SPARE 5 MINUTES WHILST IN THE CAR, GOING FOR A WALK OR WHILST COOKING A MEAL, PRACTISE MENTAL MATHS SKILLS SUCH AS TIMES TABLES, DOUBLES & HALVES, MENTAL ADDITION AND SUBTRACTION, TIME TELLING, GIVING CHANGE FROM MONEY ETC.
- ◊ TALK TO YOUR CHILD ABOUT WHAT THEY ARE DOING IN SCHOOL AND HELP TO DEVELOP A REAL INTEREST IN A SUBJECT BY ENCOURAGING THEM TO DO SOME FURTHER RESEARCH AROUND A TOPIC.
- ◊ TALK POSITIVELY ABOUT LEARNING AND SCHOOL AS THIS WILL HAVE A HUGE IMPACT ON THEIR LEARNING BEHAVIOURS IN SCHOOL.

F T T F A ATTACK!

AUTUMN 2015

IN OUR 'ATTACK!'

TOPIC WE WILL BE LEARNING...

Literacy

As readers & writers we will learn about classic poetry such as Beowulf and will study and write our own Norse myths and legends.

Maths

As mathematicians we will solve problems and develop our number sense & fluency when working with number - we will also develop our understanding of shape and measure.

PE

In our physical development we will be focussing on 'Invasion Games' and honing our skills in Hockey & Netball. We will also study Dance. We will continue our skills development in swimming.

Art

As Artists we will explore the use of clay to make accurate historical sculptures.

Geography

As Geographers we will learn about how Britain was mapped in the past and how the geographical features of our island have made us appealing to settlers.

History

As Historians we will be using a variety of sources to find out about the history Britain from 410AD-1066AD and how the Anglo-Saxon & Viking Settlers have affected our lives today

Science

As scientists, through investigation, we will learn about rocks & fossils and what they can teach us about the world around us. We will also learn about different states of matter and how changes occur between them.

Design Technology

As technologists, we will be designing, making and evaluating ships that are wind powered, sturdy & most importantly, instil fear into our enemies! We will also be designing solutions for when fold waters attack our homes.

Computing

We will be learning about using email safely, how to use the internet for efficient research & developing our programming skills to make a Viking themed computer program.

Music

As musicians we will continue to develop our ukulele skills through our ukulele band and we will learn some new Viking themed songs

RE

In our spiritual and moral development we will be learning more about: The Old Testament & how different people have been called by God, we will also explore how our faith can help us on life's journey. In our learning about other cultures, we will focus on Buddhism.

French

As linguists, we will develop our understanding of conversational French by taking part in market themed role plays.
