

Calder Vale C of E Primary School Sports Premium Provision

The government provides additional funding for schools to improve the provision of physical education and sport in primary schools. The Primary School PE and Sport Funding can be spent in the following ways:

- hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- supporting and engaging the least active children through new or additional Change4Life clubs
- paying for professional development opportunities for teachers in PE and sport
- providing cover to release primary teachers for professional development in PE and sport
- running sport competitions, or increasing pupils' participation in the School Games
- buying quality assured professional development modules or materials for PE and sport
- providing places for pupils on after school sports clubs and holiday clubs
- pooling the additional funding with that of other local schools.

At Calder Vale we are striving to provide a wide range of quality opportunities for sport and PE. We have therefore looked to enhance this provision in accordance with our vision for PE and School Sport:

The allocation of the funding is calculated according to the intake of the school. Our indicative Primary PE and Sport Funding for 2014-15 was £7500
