Charging Policy for the Supply of Goods or Services

This policy will govern the supply of any goods or services by the school to any persons other than any supply of goods or services which is part of the normal educational activity of the school.

The principles governing any such supply will be as follows:

- Supply of goods or services must not disrupt school activities or be disadvantageous to the school
- Any decision to supply will be at the discretion of the Headteacher
- For supplies to local community organisations or persons associated with the school the charge should be set so as to cover all costs including staff time and may include a small level of profit for the school
- For any other organisations or individual charges should include a reasonable level of profit for the school
