

## Literacy

As readers and writers we will investigate the key features of biographies, Shakespeare, stories with flashbacks and poetry written in free verse.

## History

As historians we will be researching the Second World War and the impact upon local history.

## Geography

As geographers we will be studying the local area and collecting a range of data. We will also be developing our skills in mapping.

## Modern Foreign Languages

As linguists we will read, write and speak French. We will describe ourselves and the area in which we live.

## Art

As artists we will develop our drawing skills. We will explore portraits and self-portraits.

## Music

As musicians we will be learning to use tuned and untuned

## ICT

As technologists we will be analysing and representing data using a variety of methods including databases, tables, charts and graphs.

## Religious Studies

We will explore 'People of Faith'. What does it mean to have faith? How does having faith affect people's lives?

## Science

As scientists we will be learning about the human circulatory system and the effect of forces on movement.
